This brochure provides insights into the permanent exhibition of the Kirpal Sagar Library – opened in February 2017.

This exhibition is about the Mission of the Almighty Power in the Golden Age and the practical life of Dr. Harbhajan Singh and Biji Surinder Kaur as well as the history of Kirpal Sagar.

It is intended as a guide and a stimulus for the viewer so that in this way he may be able to arrive at a positive decision for his life.

SYMBOLS of TRUTH

This human body is a veritable temple of God, in which the spirit or the soul can be made to witness and enjoy the Divine Light and Music of the spheres.

God is love, the life and light in the body that is called soul; and our attention is the outer expression of the soul - that is what we are in reality.

You will not find any religion in this world that would not use at least one of these four symbols, giving hints about the truth. Hindus, Buddhists have TEMPLEs, the Sikhs have GURUDWARAs, Moslems the MOSQUE, while Christians and others have CHURCHes.

Sikhs build their temples in the dome shape of the human head, Moslems build it in the forehead shape and Christians in the nose shape.

Yet all are only a symbol of the human body, which is the real temple built by God Himself in the womb of the mother.

The truth is - We are the life in the body, but not the body itself - we are all one above everything else!

The real purpose of human existence is to realize this eternal truth; then peace will follow automatically.

Life cannot be known, unless it knows itself as an everlasting life.

Self-knowledge precedes God-knowledge!

Man know thyself – this is the call of all awakened souls, since man came down to this world. It is the golden opportunity to solve the mystery of life and to go back to our home eternal.

“He that knows the Truth, knows where that light is, and he who knows that light, knows eternity; knowing it makes you free.”

St. Augustine

Unity exists already - but we have forgotten it!

Sant Kirpal Singh

GOD is the GURU of the soul!

So, for those who have got the human body, this is the golden opportunity in which they can go back to their Father, but first of all, they have to know about their Father.

Between God and spirit, here is no other obstacle but that of a veil of the mind. If this veil were to stop fluttering in the breeze of desires, as it does at present, the spirit can take in directly the cosmic energy from its very source.

You can get salvation in this very life!
If the Giver is there, where is the pain in receiving?

Sant Kirpal Singh

Remember always
that the Satguru is not a physical form.

THE LORD GOD OF ALL

The one Almighty Power, the original source and fountain-head of all life, our home of happiness, peace eternal, and the means

of our liberation from fearful bondage of births, deaths and Karmas should be the main objective and the only thing worth craving and achieving, for it is the summum bonum of life.

Sant Kirpal Singh

„Besides there is no second. The entire Universe is the arena of thy play. The Lord Himself is mammon (Maya) and also spiritual ignorance. Thou thyself casts the net and also art the film on the water.“

Guru Granth Sahib

God's Message to Mankind

Kabir

You shall have Godhead as salary. I wish you all God-speed in your efforts to tread the way back to God, which lies within you. My love and best wishes are always with you and will remain with you.

The mystery of life is solved in the company of those who have solved that for themselves. One who has solved this mystery can help in finding the same Truth.

All saints and prophets I sent to the East or West; their lives

were filled with the rapture of the vision of the unity of all races and religions in the spirit.

The outer world is the expression of the mind. Unless you first establish unity in your hearts, you cannot develop the unity of all men.

There are two methods by which you can achieve this end: One is the interior method of meditation, to go into the silence of the heart where flows the fountain of My love, all bliss and joy.

You must be reborn; except you be reborn (or twice born) you cannot enter into My Kingdom which is within you. Those who have once drunk the water of life from this fountain are intoxicated forever and love flows out from them in all its joy and gracefulness to all humanity-overflowing as they are with the love and intoxication of Me-giving vent

to 'peace be unto all the world under Thy Will, O 'Lord'. Mind that it is not religion that failed you; it is you who have failed religion.

The second method is to understand the meaning and the purpose of knowledge which in one single thought is 'service' to all My creation; men, beasts, birds etc. The meaning of true life is service and sacrifice. So long as you want, first and foremost, to be blessed yourselves and you expect others to minister to you, you will remain a stranger to the way of spirituality.

When you wish others to be blessed, you will begin to speed on your way back to Me.

"I am the knower of the True Home of the Father and have come to give you the message of God."

Let you not be a reformer to whip others into goodness, but be a witness of the Great love radiating all love in thought, word and deed.

Be an example rather than give precepts to others. You are indulging in oceans of talks but how many ounces of action? An ounce of practice is more than tons of theories.

'Wanted reformers not of others

but of themselves.' Religion decays when forms and rituals become more important than Me (God).

The inner light within you fades away giving place to intellectual acceptance of dogma or creed which you hold tenaciously for the vindication of which you willingly lay down your lives.

Religion further decays when neither Me (God) nor the Church rules you, but you become

slaves to mammon and material power of the once virile religion; only the form remains ending in selfish ends by the so-called defenders of faiths and contractors of religions. You are all dear to Me, sweet children. I advise you all, residing anywhere, to sit together as brothers and sisters and understand each other.

Dissolve all differences and misconceptions-you are already one as man, as soul (conscious beings) as followers of the same Master Power and I reside in each one of you as controlling power keeping you in the body.

Remove all duality and otherness. You will be able to sit together only in My name and will realise this unity in Me in the company of saints.

May this lesson go out to the hearts of each one of you on this blessed Christmas Day and New Year Day so that the purpose of life is dedication to the Eternal and the meaning of life is consecration to the Eternal Value of life. May the benediction of the Master shine upon you for ever and ever more.

Sant Kirpal Singh

“Unity of Man, the oneness of the soul in Him, does already exist, but far above and beyond all limitations and worldly organizations. To awake anew to this reality, we have to rise above all “isms” and narrow allegiances in order to realize in our own heart the oneness of all beings.”

Sant Kirpal Singh

This is the purpose and the aim of a human life, and it is GOD’s Mission on earth. So long man exists, so long this Mission will exist.

Sant Kirpal Singh told further:

“This campaign for **UNITY of MAN** will neither be tagged with Ruhani Satsang nor with any other similar organization.

The enthusiasm of its admirers will be the real force working behind the campaign.

The practical life in the real sense of Unity of Man, is removing with God's help, all hindrances of religious and national conflicts, and at same time bringing about understanding between all men and in the end resulting in peace of the world!”

He entreats us to try and realize what the Master is. The Master is not the physical form – He is not the human pole but is the **ALL-OMNIPOTENT POWER OF GOD** which is manifested therein.

Sant Kirpal Singh

The Satpurusha has the key to lock one age and unlock the other, and all human beings

and other living forces change likewise. This Power neither goes nor comes but manifests forever. The one who comes through Him connects all direct to Him. Such ones are called Paramsants.

Dr. Harbhajan Singh

When the light of humility dawns on the soul, the darkness of selfishness disappears and the soul no longer lives for itself, but for God. The soul loses itself in God, lives in God, and is transformed into Him.

Masters comandments are without misunderstanding and are the shortest and surest way:

„It is better to depend on Him Who is within you, not outside.
He is always with you. If you think He is away, then away He will be. It will take time for Him to come. If you think He is already there, He will Come all at once.

So never depend on others. Help is directed to all, you are never without Him. So He promises, “I shall never leave thee nor forsake thee till the end of the world.” How could I ever do that?

You need not entertain the idea that Master is far away. He is always with you each fraction of a second, protecting, correcting and patting you internally even when you are fast asleep.

How happy I shall be if you all have become ambassadors. I want that you all become like this.

Then certainly your duty will grow – as Christ told His apostles when he sent them to preach to humanity:

“What is being told to you into the ears, that you give out from the roofs!” so that people who search, know about the true facts.

Those who are coming after me, will have the same rights as those who are physically with me.

They will be fortunate to go in one birth alone if they follow the instructions of the Master and act according to the spiritual directions

Once you have been given Initiation, go to the Master! My talks are there; my tapes are there; go to them.

In my circular of June 13, 1969, I advised the Initiate who had some problem or question to which he required an answer,

To sit quietly in a receptive mood, thereby attuning himself to the gracious Master Power within him. Then he would surely receive his answer and have full confidence as to what course of action he should take.

HISTORY

Baba Sawan Singh

27. Juli 1858 - 2. April 1948

His eyes were intoxicated with love of God and His hand was one with that of God. He was mouthpiece of God and God Himself spoke through that human throat.

Sant Kirpal Singh

Ruhani Satsang came into existence with Sant Kirpal Singh's first visit to the U.S. in 1955.

PURPOSE OF RUHANI SATSANG:

"My Master, Hazur Baba Sawan Singh Ji Maharaj, a perfect Saint, had a great desire to form a common forum or platform, Ruhani Satsang (the words mean literally "spiritual gathering"-no denominational or sectarian connotations of any kind), at which all persons, even though professing different faiths and religious beliefs, could be imparted the principles of Spirituality and encouraged to practice spiritual disciplines, in order to gain salvation and peace here and in the Beyond."

Sant Kirpal Singh

He loved all...

The words of a man of realization have an impact on others. It comes through radiation. There is no need to speak; the whole thing is done through radiation.

Sant Kirpal Singh

SAWAN ASHRAM / Dehli

Time in India 1956 – 1974

There are lots of instances and incidences that happened continuously and most of those incidences revealed about His competency. He could change the life of man very easily.

When some people came to Him – so lovable – they forgot the reason why they had come there; with His attention He finished the very root cause of their problem.

Dr. Harbhajan Singh

On my Diamond Jubilee they wanted me to give the teachings in a few words. I gave them only, "Be good, do good, and be One." Few words. They wanted the teachings very briefly, 'Be good, do good, and be One.' You are already One, as man, as soul and worshippers of Higher Body. The main purpose behind Manav Kendra is that: Be good, do good and be One, at the level of man. Service of man is service all around.

The outer world is the expression of the mind. Unless you first establish unity in your hearts, you cannot develop the unity of all men.

Sarovar in the beginning....

Commissioned by Sant Kirpal Singh to carry on His work, Dr Harbhajan Singh and his wife, Biji Surinder Kaur, dedicated their whole lives to the service of humanity and to building up the Project Kirpal Sagar.

Febr. 1994 Foundation Stone of the Central building...

SAROVAR

The heart of Kirpal Sagar is the Sarovar, an oval-shaped pool surrounded by four corner buildings. The edifice in the centre of the basin bears models of the four main types of sacred buildings: a gurdawara, a temple, a mosque, and a church. Their respective shapes symbolically refer to the human body, reminding us that God resides in man. They are found in all religious traditions as a symbol of the man-body, which is the 'true temple of God'.

CHARITABLE WORK

Selfless service unto others is service to God.

Sant Kirpal Singh liked to remind, "Men are related to each other like the different parts of the body. If there is pain in one part of the body, then the whole body seems to suffer. Man is the very image of Love; and a true man is he who lives for others."

Symbols under construction...

SYMBOLS OF INNER UNITY

Human life is a golden opportunity to reach the highest goal: To be one with God. This is what the symbols stand for. To revive this knowledge and give practical access to it is the main purpose of the mission of Sant Kirpal Singh.

A SPECIAL TIME

We live in an extraordinary time with special chances.

It is the onset of the golden age, and mankind has passed through a long evolution. The way back to home eternal is now very direct for the souls; one can go back in one life. Whenever there is going to be such a change the power from the highest plane works directly in the world. For the whole golden age Sant Kirpal Singh was sent with the divine mission and competence to help mankind to tread this path.

Sant Kirpal Singh often said, "I want to work with thousands of hands." It was His wish that His disciples should become conscious and be ambassadors of truth.

**BE GOOD
DO GOOD
and BE ONE**

To know one's self – to know the spirit in man, to know the God-into-expressionpower, which is controlling the whole universe and all in it, and permeating all creation, and which is the controlling power of us in the body, too, to know that: that is called spirituality.

PRESIDENT'S MESSAGE

As the world comes closer, life becomes more competitive, setting ever new standards of excellence. Education in modern time not only remains the engine of socio-economic progress, but the very foundation of a humane moral order.

In this quest, Kirpal Sagar Academy exemplifies the spirit of healthy competition in the studies as much as co-curricular activities and moral values. No wonder Kirpal Sagar Academy has achieved spectacular success in the recent past, reflected in numerous awards, enviable academic results and splendid celebration of various events.

With the competition of another year, I am delighted to add my good wishes to the staff and students for all-round success in 2016

On August 26, 1972, the Master left on his third and final world tour.

The outward climax of his mission was the calling of the great World Conference on Unity of Man in February 1974, seven months before his death. With invitations to spiritual and government leaders in India and throughout the world, the Conference was attended by two thousand delegates and approximately fifty thousand non-delegates.

His last major effort on behalf of unity took place at the Kumbha Mela in Harwar, where, on April 12, 1974, he organized a large number of sadhus and holy men into the National Unity Conference. These holy men pledged to work together for the elimination of religious strife and the economic uplift of the poor people of India. This was the first time in the known religious history of India that anyone had been able to persuade the traditionally independent sadhus to join together for a common good; as he later said, "It was very difficult to bring them to sit together."

At the great Bhandara in honor of his Master (Sawan Singh), at the end of July 1974, Sant Kirpal Singh gave his last Initiation, giving NAAM to 1,067 souls who had been accepted by him for the inner experiences of Light and Sound.

A few days later, on August 1, he addressed a session of the Indian Parliament at the request of its members - the first time in history that a spiritual leader was invited to address the Parliament. Three weeks later, on August 21, his assigned work on earth completed, he departed, but did not leave the work.

On October 14, 1973 Sant Kirpal Singh went to Nag Kalan (near Amritsar), accompanied by a group of some brothers and sisters from the West. Before laying the foundation stone, Sant Kirpal Singh first looked at Himself, then to the earth, then up to the sky. Some of the Western brothers and sisters asked him about it and He replied "I am laying the foundation stone of the future MANAV KENDRA ."

One time Master was asked: "Who is Your successor? Who will work after You?" And Master said in the very open Satsang: "You are all my Saints, you all can work."

Nag Kalan, from where everything began...

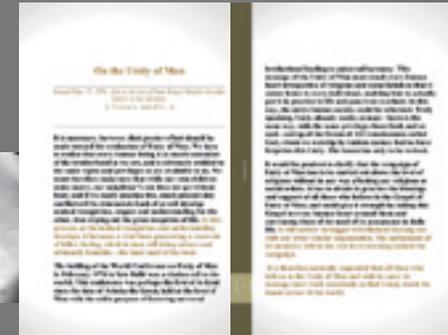

Master wanted to do His Mission with thousands of hands. There is no end to His work, there is no end to His Mission, and there is no end to His Grace. Whatever He did, we must do. We have to fulfill His Mission.

The work that we have started now is ENTIRELY HIS WORK, HIS MISSION - because being the SUPREME POWER IN THE WHOLE GOLDEN AGE, Sant KIRPAL SINGH is the responsible one for UNITY OF MAN – GOD'S MISSION on earth!

Our common aim should be to alleviate men's suffering and reduce their separation. In that sense this Conference will never end. Sant Kirpal Singh

Dr Harbhajan Singh

On August 26, 1972, the Master left on his third and final world tour.

The outward climax of his mission was the calling of the great World Conference on Unity of Man in February 1974, seven months before his death. With invitations to spiritual and government leaders in India and throughout the world, the Conference was attended by two thousand delegates and approximately fifty thousand non-delegates.

His last major effort on behalf of unity took place at the Kumbha Mela in Hardwar, where, on April 12, 1974, he organized a large number of sadhus and holy men into the National Unity Conference. These holy men pledged to work together for the elimination of religious strife and the economic uplift of the poor people of India. This was the first time in the known religious history of India that anyone had been able to persuade the traditionally independent sadhus to join together for a common good; as he later said, "It was very difficult to bring them to sit together."

UNITY of MAN - About the competency of the Supreme Power named Sat Purusha, the eternal Father, and His Mission in the Golden Age.

Those after me, will be more blessed, because they love the Master and not only His body.

Before the age was finished, a Master of such a high Power was sent into the world to wind up the work and bring back all old disciples of different Masters to Home Eternal who appeared so far in the Iron Age, since that Power is supported by all such Masters as well.

On 3rd January 1974 and even before Master told, "So far I have not initiated any new disciples. All are old, old disciples." On that day He confirmed that He had to initiate five hundred thousand disciples. Since He had initiated only one hundred and fifty thousand disciples. So what about the rest? This is a secret which is very difficult to know, until He would reveal it Himself.

Master was sent into the world. Such a Power came from Agam Desh. His work was also high, corresponding to His Power from where He came. It is said that the Master surrenders His disciple to the Sat Purusha and the Sat Purusha brings him to Alakh and from Alakh to Agam. He who comes from Agam, His work is independent. In real sense it is a golden opportunity. Such times come very rarely in the world. Master used to say, "The Grace which is now available and increasing wa last only possible some hundred thousand years ago."

**In GURU GRANTH SAHIB
it is written:**

Whosoever hears of this Power and comes in Contact with Him, will neither die nor take birth again! For the Power of KIRPAL is the ocean of all happiness and is manifest everywhere! He is really always with us.

Master's Farm 1973

14. October 1973 /
Nag Kalan

THE BACKGROUND OF KIRPAL SAGAR

In the previous SILVER AGE MUNINDER begged KABIR for His blessing unto the physical world, as in the previous GOLDEN AGE only four souls could go back. KABIR accepted it and said, "KIRPAL, THE GRACIOUS ONE WILL DO."

The reason to commission this place (KIRPAL SAGAR) before Sant KIRPAL SINGH left the physical body was to fulfill this very promise. With due permission of Sant Kirpal Singh, the name "MANAV KENDRA" was changed into "KIRPAL SAGAR".

KIRPAL means "GRACE", Sagar means "OCEAN" – thus the name KIRPAL SAGAR means "OCEAN OF GRACE".

On October 14, 1973 Sant Kirpal Singh went to Nag Kalan (near Amritsar), accompanied by a group of some brothers and sisters from the West. Before laying the foundation stone, Sant Kirpal Singh first looked at Himself, then to the earth, then up to the sky.

Some of the Western brothers and sisters asked about it and He replied "I am laying the foundation stone of the future MANAV KENDRA."

On October 24, 1973, Sant Kirpal Singh reached the Agriculture Farm (where now KIRPAL SAGAR is being built) and asked me (Dr. Harbhajan Singh) to bring some water from the tube-well which was already running, and I brought also some rice. He took one seed of rice and a glass of water from there and told:

"If you do not get that land which I saw in Amritsar, then this land here is also very good. Here at least 100 acres of land are needed towards this direction."

(He pointed into the direction where now KIRPAL SAGAR is being built.) "You should also sow beans, as a time will come, when nearly eight quintals will be needed every day. (One quintal is equal to 100 kg) It will become a pilgrimage place in future for all over the world." Then Sant Kirpal Singh said, "The MANAV KENDRA which I wanted to build is not yet built. It will be built here."

RUHANI SATSANG and UNITY OF MAN

In the present age, Saints like KABIR and GURU NANAK revived the ancient teachings of the sages of the past.

In more recent times the torch was kept alive by their SUCSESSORS until the mantle came to hallow the personality of Baba SAWAN SINGH Ji who during his long ministry of 45 years (1903-1948) gave it the widest distribution possible. In 1911 He began the work of revealing the GOSPEL OF LOVE, LIGHT and LIFE to the Western world as well.

RUHANI SATSANG was founded in 1948 and dedicated to the task of imparting purely spiritual instructions, shorn of all ritual and ceremony and free from embellishment and symbol, to all classes of humanity.

RUHANI SATSANG has been the Mission of Baba SAWAN SINGH fulfilled by Sant KIRPAL SINGH. When Master started with His own Mission UNITY OF MAN he announced that:

“This campaign for UNITY OF MAN will neither be tagged with RUHANI SATSANG nor with any other similar organisation. The enthusiasm of its admirers will be the real force working behind the campaign.”

WORLD-CONFERENCE ON UNITY OF MAN, DELHI 1974

The UNITY OF MAN Conference was held from February 3, 1974 under the sponsorship of Sant KIRPAL SINGH Ji Maharaj till February 6, 1974.

Religious, political and social leaders from all over India and some hundred Delegates from all over the world, nearly from nearly 30 countries, participated in the Conference.

“The message of UNITY OF MAN must reach every human heart, irrespective of religious and social labels so that it comes home to every individual, enabling him to actually put it in practice in life and pass it on to others; in this way the entire human society could be reformed.”

Kirpal Singh

The competency of Sant KIRPAL SINGH can be understood through His open declared assurance, given on this auspicious Conference.

“The practical life in the sense of
UNITY OF MAN removes with God’s help
all barriers of religious and national conflicts
and will bring at the same time understanding
between all men and finally the
WORLD PEACE”

DR HARBHAJAN SINGH and BIJI SURINDER KAUR

Their example inspired others to lead a life with higher values.

Comissioned by Sant Kirpal Singh to carry on His work, Dr Harbhajan Singh and Biji Surinder Kaur dedicated their whole lives to the service of humanity and built up the Project Kirpal Sagar. Both disciples of Sant Kirpal Singh, who because of their sincerity and truthfullness, were soon entrusted with important duties In His Mission.

In 1973 Sant Kirpal Singh laid the foundation-stone of the future MANAV KENDRA in Nag Kalan. At the same period, He commissioned them with the Kirpal Sagar project.

In April 1974, Sant Kirpal Singh gave them instructions for His further work, including initiation. When a few months later, on 21 August 1974, Sant Kirpal Singh left His body, Dr Harbhajan Singh was the only one whom He allowed to stay at His bedside until His last moment.

From then on, Bhaji and Biji, as they where called, explained the supreme competence of Sant Kirpal Singh and conveyed His instructions everywhere for His further work, relying on Sant Kirpal Singh's statement: 'My children are scattered all over the world, when they will come together there will be a revolution of spirituality.'

In India, a special phase was marked in 1982, when with the laying of the foundation stone of Kirpal Sagar, the construction work was started. From then onward, Kirpal Sagar remained the central focus of Bhaji's and Biji's work.

It can be said, that Dr. HARBHAJAN SINGH along with His wife SURINDER KAUR kept the HOLY TEACHING on its high level, and – not by attracting quantities of people, but by accomplishing the wish of their MASTER – they made UNITY OF MAN an international movement.

"The new humanity will choose illumined men and women as their appointed leaders. The destiny of nations will lie in the hands of those who possess the highest spiritual endowments and the widest vision of global service. The children, who will control the internal and external activities of future nations, must be educated into the paths of right knowledge, right thinking, right actions and right human relationships. All mankind will then obtain the necessities of life. Privilege and persecution will cease to exist. A new vision of the spiritual realities of life will result from this reorientation of the young, and then, in truth, "the lion will lie down with the lamb!"

Sant Kirpal Singh

KIRPAL SAGAR is a man - making and man - service center, to develop the MAN FROM INSIDE AND OUTSIDE. It is the work of GOD, done by man - but inspired by GOD.

KIRPAL SAGAR - OCEAN OF GRACE

is dedicated to mankind and helps people to develop in all aspects - not only physically and intellectually, but also spiritually. It is a center for the development of man and for the service of humanity. People can come to Kirpal Sagar at anytime and get whatever they need.

Whoever comes here will not go empty-handed, but will get for whatever purpose he has come. If someone wants medical help, he can get it. If he is needy, Kirpal Sagar can provide social help, if he wants to solve the purpose of human life and get nourishment for the soul, he can get it. Even if someone comes only to view the place, he will get something.
